### WHAT IS THE PRE-TRIB STUDY GROUP?

Twenty-five years ago this group had its first meeting with 35 prophecy scholars present. It was patterned after the Albury Park and Powerscourt Conference in Britain during the 1820-30's where leaders gathered to discuss issues relating to Bible prophecy.

The Pre-Trib Research Center is committed to the study, proclamation, teaching and defending of the Pretribulational Rapture (pre-70th week of Daniel) and related end-time prophecy. PTRC wants to impact pastors and individual Christians with the central role and importance that Bible prophecy, especially the any-moment possibility of the rapture, should play in the life of the church. PTRC stresses three practical implications that flow from the rapture teaching: godly living in an unholy age; a strong emphasis upon evangelism of the lost; and a zeal for worldwide missions.
