FACING THE CONSEQUENCES OF
DIVIDING ISRAEL

- Trump Peace to Prosperity Plan – January 28, 2020
- Trump's Abraham Accords – September 5, 2020 and 8 hurricanes in 2020
- *Coronavirus – Global Pandemic*
- Election 2020

President Trump and Israel

No American president has done more for Israel than President Trump; more than all combined

U.S. Embassy move to Jerusalem;

Resolution backing Israel's claim to the Golan Heights;

Secretary of State Pompeo's stating Israeli settlements are not illegal, after a year of legal study:

Jared Kushner – January 21-22, 2020

Senior Adviser to the President Jared Kushner and U.S. Special Representative for International Negotiations Avi Berkowitz flight to Israel was cancelled due to inclement weather, and therefore a decision was made to return to the U.S. with Trump from Davos, Switzerland.

They were to meet with **Israeli Prime Minister Netanyahu** in Jerusalem –
January 22 - [Israel Hayom](#)

*Senator Cotton suggested banning travel
between China and the US – January 22, 2020*

One day before the Chinese government [began](#) a quarantine of Wuhan to contain the spread of the virus, the **Arkansas senator sent a [letter](#) to Secretary of Health and Human Services Alex Azar encouraging the Trump administration to consider banning travel between China and the United States** and warning that the Communist regime could be covering up how dangerous the disease really was.

*Vice President Pence at US Embassy Jerusalem,
invites Netanyahu and Gantz to the White House
January 23, 2020*

At the U.S. Embassy in Jerusalem, Vice President Mike Pence stated President Trump had asked him to extend an invitation to Prime Minister Netanyahu to come to the White House next week to discuss regional issues, as well as the prospect of peace here in the Holy Land.

Benny Gantz, the leader of the Blue and White Party, and he has accepted the invitation to join the Prime Minister with the President at the White House next week.

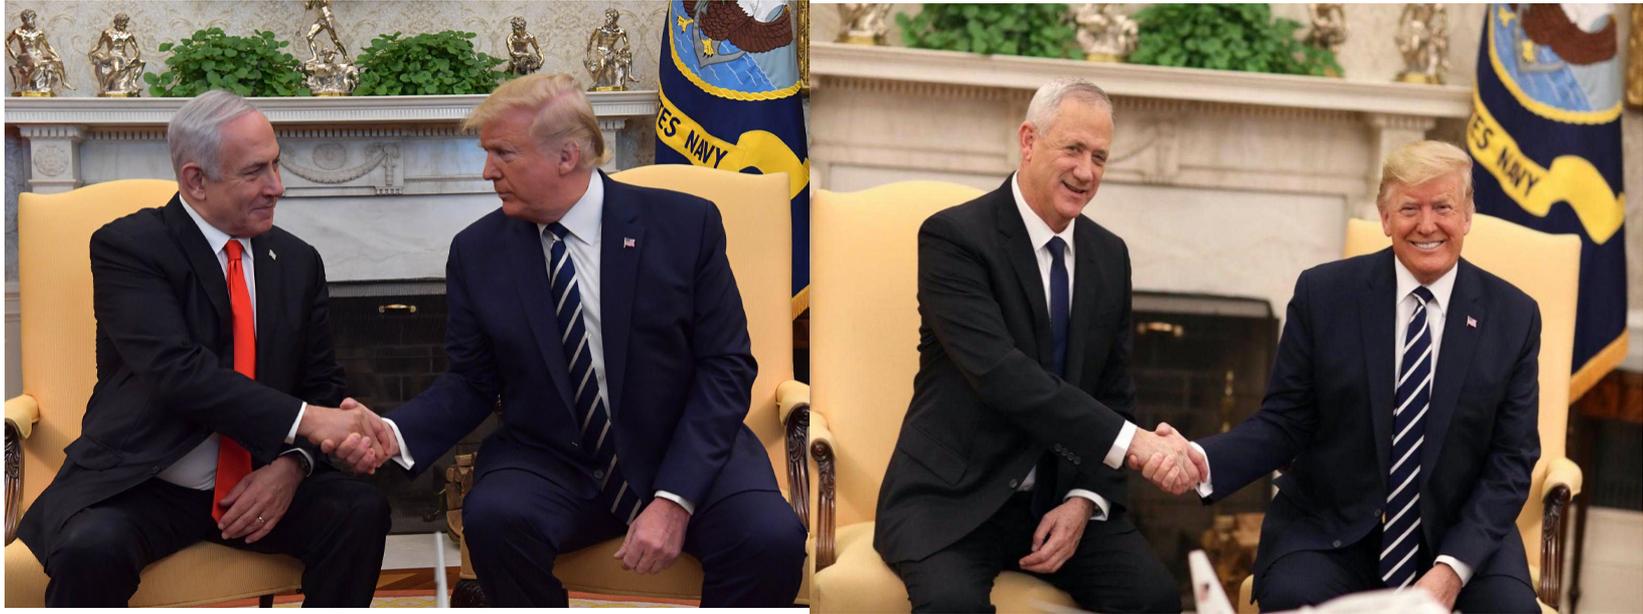

*First classified Senate briefing on Coronavirus
January 24, 2020*

“We are monitoring the outbreak of a novel coronavirus closely and are in close communication with United States government agencies on actions and precautions needed to prevent further spread of this virus,” the Jan. 24 statement [read](#).

“We thank administration officials for providing us with an update on this important issue, and for detailing their efforts to protect the American public. We will continue to work closely with administration officials to ensure the United States is prepared to respond.”

President Trump hosts Netanyahu and Gantz – January 27, 2020

President Donald Trump held back-to-back meetings Monday, Jan. 27 with Israeli Prime Minister Benjamin Netanyahu and his chief challenger Benny Gantz ahead of the next-day unveiling of the U.S. administration's much-anticipated plan.

Gantz promised Trump to support his peace deal

January 27, 2020

“Gantz committed in the Oval Office that, if he became prime minister, he would **form a government of people that would support the president’s peace deal.**”

*Trump's 'deal of the century' presented with

Miami's financial district shaken by 7.7 earthquake at 2:20 pm EST, 44 minutes after Trump tweet

At 2:10 pm EST, a magnitude 7.7 earthquake strikes off the coast of Jamaica and is felt as far away as Miami.

The earthquake was 44 minutes after President Trump tweeted his 'State of Palestine' map with a capital in parts of East Jerusalem.

Buildings were evacuated in Miami's financial district.

Shaken Caribbean attempts to get back to normal after shock of major quake.

Senator Cotton's coronavirus warning – January 28, 2020

In a letter to the secretaries of state, health and human services, and homeland security, he noted that **“no amount of screening [at airports] will identify a contagious-but-asymptomatic person afflicted with the coronavirus”** and called for an immediate evacuation of Americans in China and a ban on all commercial flights between China and the United States.

Senator Cotton warns President Trump of the magnitude of the coronavirus – January 29, 2020

While his Senate colleagues were focusing on the president's removal or acquittal, U.S. Sen. Tom Cotton, R-Ark., **spent much of this week sounding the alarm about the coronavirus.**

As a result, he has missed several stretches of President Donald Trump's impeachment trial.

The White House announced the formation of the Coronavirus Task Force – January 29, 2020

The White House announced the formation of a task force to monitor the coronavirus.

Press secretary [Stephanie Grisham](#) said in a statement that **the task force has met daily since Monday, Jan. 27.**

Secretary of Health and Human Services Alex Azar is leading the task force, the White House said. Other members include national security adviser Robert O'Brien, Centers for Disease Control and Prevention (CDC) Director Robert Redfield, top National Institutes of Health official Anthony Fauci and several other administration officials

Coronavirus – Global Pandemic

Moderna Wins Initial \$20 million grant from Gates Foundation – January 2016

Gates Foundation's funding could potentially grow into a total \$100 million commitment—including the HIV antibody project—toward development of additional mRNA-based treatments for various infectious diseases, Moderna said.

*Fauci at Georgetown University, Jan. 11, 2017
'Pandemic Preparedness in the Next Administration'*

"There is no question that there will be a challenge to the coming administration in the arena of infectious diseases," Fauci said during his "Pandemic Preparedness in the Next Administration" speech, which came shortly before [Trump's inauguration on Jan. 20.](#)

He added, "the thing we're extraordinarily confident about is that we're going to see this in the next few years."

Gates commitment to RNA – January 2018

Bill Gates: “And mRNA vaccines are likely to be cheaper, easier, and faster to make than traditional vaccines.

This would be particularly helpful in containing epidemics—whether they **occur through nature or are the result of an intentional biological attack.**

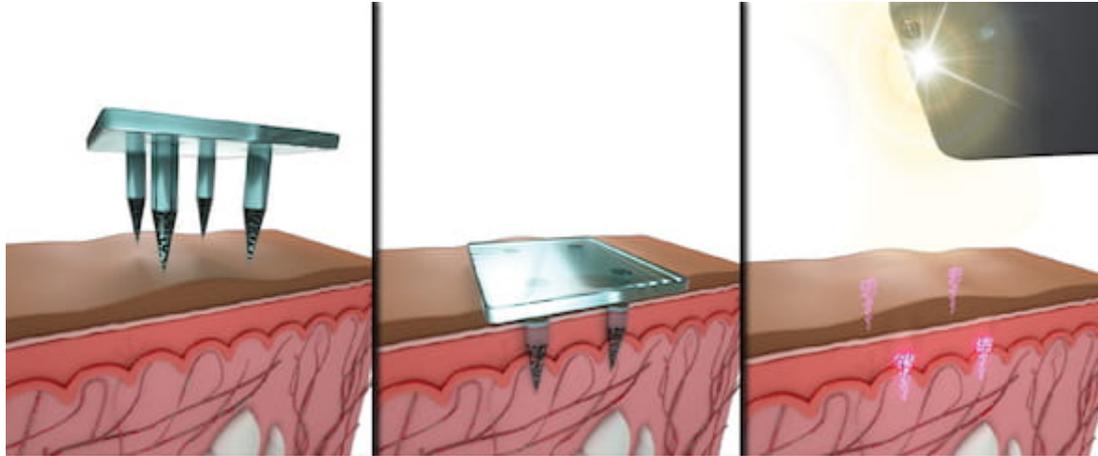

Event 201 – October 18, 2019 – NYC

*Bill and Melinda Gates Foundation,
World Economic Forum and Johns Hopkins University*

Quantum-dot tattoo - December 18, 2019

“The Bill and Melinda Gates Foundation came to us and said, ‘Hey, we have a real problem — knowing who’s vaccinated.’”

A pattern of 1.5-millimeter microneedles that contain vaccine and fluorescent quantum dots are applied as a patch. The needles dissolve under the skin, leaving the encapsulated quantum dots. Their pattern can be read to identify the vaccine that was administered. The project was co-led by Rice University bioengineer Kevin McHugh during his time at MIT. (Credit: Second Bay Studios)

Wuhan Institute of Virology

Bio-safety Level 4 lab

Laboratories are classified into biocontainment levels 1–4, depending on the pathogenicity of microbes investigated.

Biosafety Level 4 (BSL-4) laboratories investigate the most dangerous pathogens and have the maximum biocontainment levels. Microbes contained in BSL-4 laboratories pose a significant risk for transmission and are frequently fatal; most have no reliable cure.

Vaccine Administration: Needle Gauge and Length

Vaccines must reach the desired tissue to provide an optimal immune response and reduce the likelihood of injection-site reactions. Needle selection should be based on the:

- Route
- Age
- Gender and weight for adults (19 years and older)
- Injection site

The following table outlines recommended needle gauges and lengths. In addition, clinical judgment should be used when selecting needles to administer injectable vaccines.

Route	Age	Needle gauge and length	Injection site
Subcutaneous injection	All ages	23-25-gauge 3/8 inch (10 mm)	Thigh 12.9 over 1.2
	Neonate, 28 days and younger	23-25-gauge 5/8 inch (16 mm) ¹	Upper arm
Intramuscular injection	Infants, 1-12 months	22-23-gauge 1 inch (25 mm)	Upper arm
	Toddlers, 1-2 years	22-25-gauge 1-1.25 inches (25-32 mm)	Deltoid muscle of arm
	Children, 3-10 years	22-25-gauge 5/8"-1 inch (16-25 mm)	Deltoid muscle of arm ²
		22-25-gauge 1-1.25 inches (25-32 mm)	Vastus lateralis muscle of anterolateral thigh
	Children, 11-18 years	22-25-gauge 5/8"-1 inch (16-25 mm)	Deltoid muscle of arm ²
Adults, 19 years and older	22-25-gauge 1 inch (25 mm) ¹ 1 inch (25 mm) • Males, 152-200 lbs (70-90 kg) • Females, 132-200 lbs (60-90 kg) • Males, 200 lbs (90 kg) or more • Females, 150 lbs (68 kg) or more	Deltoid muscle of arm ²	

¹Needle information is for the upper arm. For other injection sites, use the following:
 • For the arm, a 25-gauge needle is preferred. If a 23-gauge needle is used, it should be at least 1/2 inch (12.7 mm) long.
 • For the thigh, a 25-gauge needle is preferred. If a 23-gauge needle is used, it should be at least 1/2 inch (12.7 mm) long.
 • For the buttock, a 25-gauge needle is preferred. If a 23-gauge needle is used, it should be at least 1/2 inch (12.7 mm) long.

*Israel's Health Minister Hezy Levy
November 26, 2020*

The issue of how to "motivate" vaccine compliance has generated increasing interest, with commentators such as Mike Cernovich writing:

"Government won't force you to take vaccine. Amazon will. Airlines will. Banks will. You won't be able to buy, sell, or trade without the vaccine."

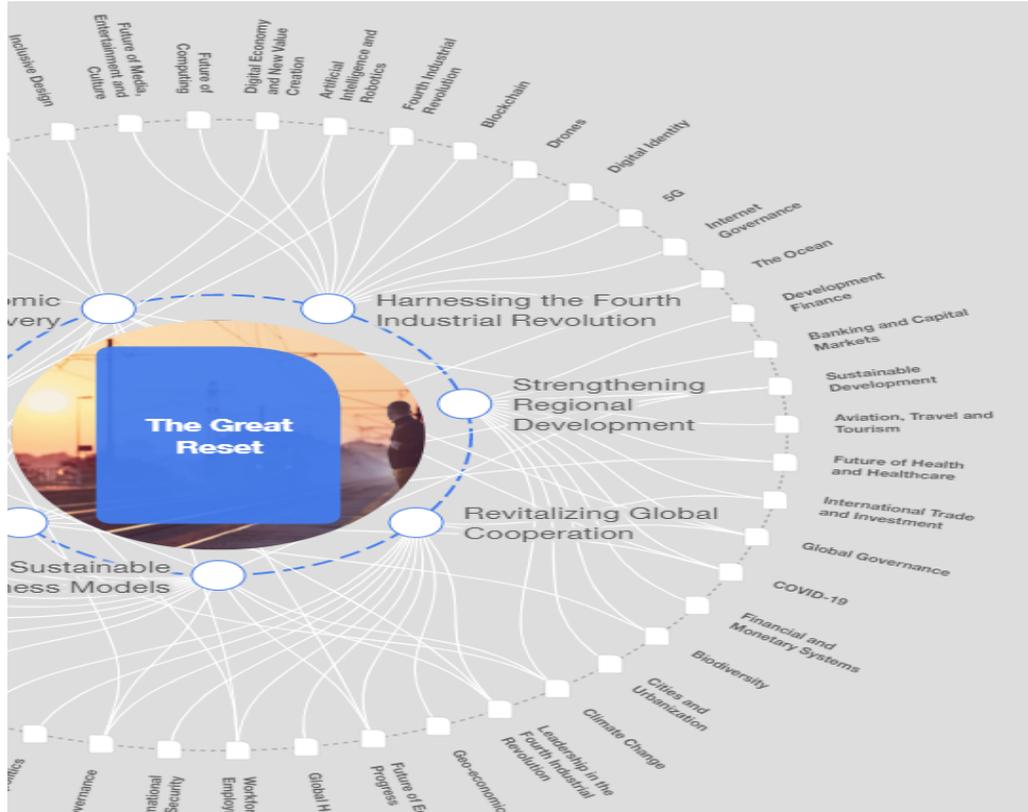

“The pandemic represents a rare but narrow window of opportunity to reflect, reimagine, and reset our world.”

Klaus Schwab

Founder and Executive Chairman, World Economic Forum

The Great Reset

*World Economic Forum –
Singapore, May 18-21, 2021
Great Reset Initiative*

There is an urgent need for global stakeholders to cooperate in simultaneously managing the direct consequences of the COVID-19 crisis. To improve the state of the world, the **World Economic Forum** is starting The Great Reset initiative.

*China leads world in terms of fighting pandemic:
Klaus Schwab, WEF Founder – Dec. 7, 2020*

China has been leading the world in terms of fighting the pandemic, said Klaus Schwab, the founder and executive chairman of the World Economic Forum (WEF), when addressing the Beijing Forum 2020 held on Saturday. He also called for concerted efforts to seize the opportunity to have "a new beginning in our global cooperation in globalization."

Key Dates

Dec. 8: Safe Harbor deadline. This is when the states must resolve disputes over which ballots to count and report final vote totals for state certification.

Dec. 14: Electoral College. By this date, the state governors report election results to Congress via a certificate of ascertainment that identifies which candidate won the state, as well as the slate of electors appointed to the Electoral College. The EC then meets and votes for the president and vice president and sends a record of the votes to Congress.

Key Dates

Jan.3: New Congress. The newly elected U.S. Congress is convened, and new and re-elected members are sworn into office.

Jan. 6: Congress counts EC votes. The newly sworn in 117th Congress is convened in a joint session during which the EC votes are counted and the next president and vice president are chosen.

Key Dates

Jan. 20: Inauguration Day. The newly-elected president is sworn in as president of the United States. According to the U.S. Constitution, if Congress hasn't chosen a new president by this date, then the newly-elected vice president is sworn in as the acting president. If Congress also hasn't chosen a new vice president by this date, then the Speaker of the House is sworn in as the acting president.
