What is the Pre-Trib Study Group?

Thirty years ago this group had its first meeting with 35 prophecy scholars present. It was patterned after the Albury Park and Powerscourt Conferences in Britain during the 1820–30s where the leaders gathered to discuss issues relating to Bible prophecy.

The Pre-Trib Research Center is committed to the study, proclamation, teaching, and defense of the pre-tribulation rapture (pre-70th week of Daniel) and related end-time prophecy. PTRC desires to impact pastors, leaders, and individual Christians with the central role and importance that Bible prophecy, especially the any-moment possibility of the rapture, should play in the life of the church. The PTRC stresses three practical implications of flow from the rapture teaching: godly living in an unholy age; a strong emphasis upon evangelism of the lost; and the zeal for worldwide missions.
